WITH THESE GREAT PLANS!**

4 WAYS TO PROTECT YOURSELF & YOUR RV

Extended Service
Contract

Guaranteed Asset
Protection (GAP)

Interior/Exterior
Protection Coatings

Tire/Wheel Road
Hazard Protection

EXTENDED SERVICE CONTRACT

24 HOUR / 7 DAY A WEEK RV TECH HOTLINE

JUST ONE OF THE MANY BENEFITS WITH A SERVICE CONTRACT

- For the length of your contract term you have access to RVDA and Master Certified technicians 24 hours a day, 7 days a week. They can help answer questions and troubleshoot problems while you're on the road or at the campground! Never feel stranded or helpless when you have a service contract!

EXTENDED SERVICE CONTRACT FAQ'S

■ What does the service contract cover?

Everything from the mechanical awning (power awning extra upgrade) slide-outs, hot water heater, waste system, fresh water system, range/oven, propane system, suspension, heating system, refrigerator, brakes, roof mounted air conditioner, shower, toilet, tanks & more!

■ Why is a service contract a good idea to have?

As the mechanics of RV's become increasingly more complex, so do the chances of a breakdown or repair on the road. Unfortunately, with sophisticated technology, comes sophisticated & often costly repairs. A service contract makes it so you don't have to front a \$2,000.00 refrigerator or air conditioner bill up front out of pocket.

■ How long is a standard manufacturers warranty?

If you are purchasing a new RV, most manufacturers only offer a 1 year warranty hitch to bumper. If your purchasing a used RV, there is no warranty at all. This is why a service contact is so helpful! Generally your new RV won't need repairs until several years down the road, after the manufacturers warranty on your new RV is gone. With a service contract, you don't have to worry.

■ Can you add a service contract to your financing?

Yes! It's very easy to do and likely won't add much to your payment over the length of your loan. For less than the cost of going out to dinner one time a month, you can protect yourself from costly repair bills.

■ Will a service contract help with re-sale value?

Yes! The service contract is transferable to the next owner if you so choose. Transferring your service contract adds HUGE value to your RV. Someone looking to buy a used RV can purchase yours, knowing they are covered against repair bills, which in exchange will make it easier to sell your RV. What would you rather buy, one with a service contract, or one without?

YOUR COVERED ON THE MAJOR COMPONENTS

HOT WATER HEATER

Burner Assembly
Tank
Thermostat
Thermocouple
Gas Valve
Electronic Ignition Assembly
Printed Circuit Boards
Seals and Gaskets

WASTE SYSTEM

Shower
Toilet (Except Electrical Toilets)
Sinks
Holding Tanks
Gate Valves and Connections
Seals and Gaskets

FRESH WATER SYSTEM

Water Pump
Compressor
Water Tanks
Water Lines
Traps
Fittings

FRESH WATER SYSTEM cont.

Faucets
Seals and Gaskets

CENTRAL/ROOF A.C. (CENTRAL AIR OR ROOF MOUNTED 110V)

Compressor
Evaporator
Capacitors
Relays
Thermostat
Condenser
Fans
Seals and Gaskets

RANGE AND OVEN

Burner Assembly
Thermostat
Thermocouple
Burner Valve
Microwave Oven
PowerHood
Printed Circuit Boards
Seals and Gaskets

L.P. GAS SYSTEM

Regulators
Gas Bottles (Except Valves and Gauges)

L.P. GAS SYSTEM cont.

Mounting Brackets
Pigtails
L.P. Lines and Fittings
Seals and Gaskets

SUSPENSION

Wheel Bearings
Coil and Leaf Springs
Spindle
Axle Shafts
Seals and Gaskets

HEATING SYSTEM

Furnace
Ignitor
Burner Assembly
Thermocouple
Gas Valve
Thermostat
Blower Motor
Printed Circuit Boards

REFRIGERATOR

Thermostat
Thermocouple
Cooling Unit Compressor and Evaporator
Condenser
Fans
Burner Assembly
Ignitor
Printed Circuit Boards
Seals and Gaskets

AUXILIARY POWERPLANT/GENERATOR

All Internally Lubricated
Parts of the Powerplant
Engine plus:
Starter Switches
Generator Assembly
Head
Power Converter
Printed Circuit Boards
Inverter
Voltage Regulator
Gauges
Seals and Gaskets

BRAKES

Master Cylinder
Hydraulic or Electrical Brake Actuator
Wheel Cylinders
Backing Plates
Seals and Gaskets

LIFT CRANK SYSTEM

Crank Handle
Winch
Corner Lifters
Cables
Wind Braces

SLIDE OUTS

All Mechanical Hydraulic Ram Assemblies
Seals and Gaskets

POWER STEP

Mechanical/Hydraulic Components
Seals and Gaskets

LEVELING SYSTEM

All Mechanical, Hydraulic and Electrical Components
Seals and Gaskets

PREFERRED COMPONENT PACKAGE

Electrical Outlets (excludes wiring)
Television/VCR/DVD Players
AM/FM/Radio/Cassette/CD Players
Speakers
Alarm Sensors
Carbon Monoxide/Smoke Detectors
Mechanical Awnings

Campers Edge

Coverage for Travel Trailers,
Fifth Wheels, Pop-Ups, Slide-Ins
and Motor Home Coach

Your Insurance payout could end here!

GAP pays the rest.

Insurance Settlement

How GAP Works

Loan/Lease Payoff*	\$150,000
Insurance Settlement	- \$126,000
Insurance Deductible	+ \$1,000
GAP	\$25,000
GAP Protection	- \$25,000
Out of Pocket Expense w/GAP	\$0

GUARANTEED ASSET PROTECTION

- Guaranteed Asset Protection (GAP) is a unique coverage program that can protect you from financial disaster in the event your RV is stolen or totaled from an accident, storm..etc. As your vehicle gets older, the (ACV) actual cash value declines, while your loan balance may remain higher than what the insurance company will pay you. You are now liable for the difference between what the insurance company pays you and what you owe on your loan. Sometimes this can be quite a large sum. GAP is highly recommended as it pays the difference as well as your deductible in most cases. Paying the very small amount for GAP up front or in your financing can save you THOUSANDS of dollars down the road in the event of a total loss or theft. GAP is truly peace of mind.

TIRE/WHEEL ROAD HAZARD PROTECTION

■ Road Hazard Protection

We all know Michigan is the pothole state. Protect your RV's wheels & tires from potholes, rocks, wood debris, nails, screws, glass, metal parts, plastic scraps or any other item causing tire/wheel damage that should not normally be in the road, beyond normal wear & tear.

■ Coverage Includes

Repair or replacement for the tire (including mounting, balancing & taxes) as well as emergency roadside assistance, flat tire reimbursement for reasonable costs incurred for a flat tire that was caused by a road hazard, reimbursement for expenses of wheels rendered non serviceable due to failure of the wheel covered under your contract terms

■ Emergency Travel Expenses

In the event your tow vehicle & RV are disabled due to a covered road hazard and unable to be repaired or replaced in a timely manner, you will be reimbursed for emergency living expenses, up to 3 days in length to cover the cost of lodging, if you are more than 250 miles from home

INTERIOR/EXTERIOR COATING PROTECTION

■ Environmental Exterior Paint Protection

Have you ever been camping & looked over at a RV near by, that is just a few years old, but is faded, chalky and looks aged beyond its years. You spend your hard earned money to purchase an RV, for relaxation, family memories, sight seeing or whatever the case may be. You want it to stay looking new. Nobody wants to be that person at the campground with the faded RV. Protect it from harmful sun rays, acid rain, bird droppings, tree sap & more. No more need to wax your RV for the next 5 years with this professionally applied system.

■ Interior Leather/Fabric Protection

Keep your RVs interior looking fresh, vibrant & rich looking. Protect it from fast food, beverages, bleaches/dyes, fading/discoloration, cracking, mold/mildew and more. Camping can be messy & dirty, especially if your camping with kids. Protect your RV and keep it looking like new with this professionally applied system.

PICK THE PLAN THAT WORKS BEST FOR YOU!
